Dixon, IL – The Illinois Department of Transportation announces today that weather permitting, construction work on the connector from US 30 to I-88 west of Rock Falls will begin on Monday, August 3, 2015. Three Star Painting will be cleaning and painting three bridges over Elkhorn Creek between US 30 and I-88 for the \$293,000 project.

The roadway will be restricted to one lane in each direction as the two bridges on the mainline pavement are painted. Following completion of the first two bridges, the contractor will work on the bridge carrying the ramp for traffic from US 30 to westbound I-88. Because this is a one lane ramp, it will need to be closed while it is being cleaned and painted.

The ramp closure will begin in late August or early September. Drivers should be alert for the lane closures and for the signs regarding the future ramp closures.

Please slow down and use extreme caution while driving through all work zones.
